

EvoTouch.020 DALI-2 Glass Touch Panel, 2 Buttons

TCH-020x-011 is a modern DALI-2 control panel that combines advanced technology with sophisticated design. Its glass front and intuitively designed icons provide an elegant and universal interface that meets the expectations of even the most demanding users. The panel is equipped with two touch buttons, allowing for precise switching on and off, as well as smooth dimming of the light intensity for one DALI scene or group of luminaires. Additionally, two LEDs alternately signal the status of the last used button, significantly increasing the comfort of operation. Available in white, black, and grey. Custom versions, including panel colours and icon configuration, are available on individual request.

Technical specifications

Power supply	9,5 ÷ 22,5 V DC (via DALI Bus)
Current consumption from DALI Bus	3 mA
Communication protocol	DALI-2
Number of DALI addresses	1
Number of status indicator LEDs	2 x LED, configurable
Wiring terminals	WAGO spring terminals, wire from 0,25 to 2,5 mm ²
Mounting	Ø60 mm flush-mount box
Dimensions	86 x 86 x 36,5 [mm]
Color	White or black
Materials	ABS + PC + Glass
Operating temperature	0 °C to +50 °C
Storage temperature	-20 °C to +50 °C
Relative humidity	5 % ÷ 90 %, non-condensing
Weight	140 g
Protection	IP 20
Conformity mark	CE
Part number / EAN – White colour	TCH-020W-011 / 5904423369001
Part number / EAN – Black colour	TCH-020B-011 / 5904423369018
Part number / EAN – Grey colour	TCH-020G-011 / 5904423369834
